

**ESTABLISHMENT OF CAPACITY BUILDING CENTRES AS A SUSTAINABLE SOLUTION
TO RAISE THE STANDARDS OF TEACHING STAFF IN INDIAN HEIS**

**APPLICATIONS INVITED FOR
TRAIN-THE-TRAINER PROGRAM**

(Overview

CABCIN is a European Union funded project under the Erasmus+ Programme consisting of European and Indian Universities. The aim of this project is to establish Capacity Building Centres at five Indian Universities with assistance from five European Universities and the grant received from European Union. Various training programs & activities would be conducted by the European Universities for the faculty members of Indian Universities.

RK University is one of the selected five Indian Universities. Over the period of next two years, the process of training faculty members & establishment of the Capacity Building Centre would take place. The first activity that will be carried out is "Train the Trainers", under which five trainers from RK University will be selected and trained by the European Partner Universities. This activity would have various modules such as designing E-Learning courses, developing curriculum for Higher Education, implementing interactive instructional strategies in higher education and soft skills in higher education.

(Responsibilities of the selected Trainers:

Trainer working in the Capacity Building Centre will be responsible for supporting academics development focused on pedagogical skills with ICT support by delivery of trainings (face to face and e-learning).

Trainer in the Capacity Building Centre:

- (will design and conduct a variety of trainings, workshops, on-line courses for teaching staff who wish to practice effective teaching strategies and enhance student learning
- (will be the main source of building teaching culture between academic society, promoting joint problem solving and interaction among professors, as well developing teaching skills
- (will be the basic source for delivering services, communication and teaching on-line materials
- (will conduct needs analysis to identify areas of improvement, design and conduct evaluation of developed trainings/ curriculum
- (will develop the strategy of the center with university authorities according to identified needs.

The trainer will participate in the professional Train-the-Trainer program November 2017 – February 2018 with evaluation at the end.

(Benefits for selected Trainers

- (Getting trained by trainers from European Universities
- (Access to high end equipment that would be bought with EU funding
- (Be a part of the Capacity Building Centre established at RK University as a Trainer
- (Professional & Intellectual growth
- (Experience of participating in European Union Projects
- (Acquire skills to develop E - Learning programs
- (Improve ICT skills
- (Exposure to international trends in higher education

(How to Apply ?

Application is open for all the faculty members of RK University. To apply, please visit www.rku.ac.in/cabcin-ttt and fill out the form with all the details.

Once the application has been submitted, an internal committee will shortlist 10 applications. These 10 short-listed faculty members will then be interviewed by a panel consisting of European partner and RKU member.

5 trainers will be selected for TTT program

(Important Dates

- (Application Portal Opens : July 25, 2017 (8:00 am)
- (Applications Portal Closes: August 11, 2017 (5:00 pm)
- (Declaration of 10 shortlisted applicants: August 25, 2017
- (Interview of shortlisted candidates: September 19 - 21, 2017
- (Declaration of final 5 shortlisted applicants: September 27, 2017
